

Tuesday, January 17, 2017

The 4 Jake's Sake Charitable Foundation will be holding its 4th annual Millennium 5K walk run & Kids Fun Run on May 21, 2017 at the Hudson Elks. This will be our first year as a non-profit 501 (c)(3) charitable foundation! Last year we had over 300 runners from the local community supporting us as we raised the funds to install an elevator that has given Jake the ability to stay in his home! 14-year-old Jake from Hudson lives with Duchenne Muscular Dystrophy. Duchenne is a muscle wasting disease similar to ALS, except it affects children. Currently there is no cure for Duchenne and with its diagnosis families can expect to need many costly items, most not covered by insurance, to make their homes and lives accessible. Our mission is to help these families acquire the needed equipment so they can have the ability to live a life that many of us take for granted. The ability to get around in wheelchairs...

This is a great opportunity to sponsor a local foundation while promoting your business and help us make a difference in the lives of these families. If you're not able to be a sponsor but would still like to help, reach out to us as we also need raffle items, food, water and volunteers! Please see attached brochure for our sponsorship opportunities.

Best!

Be a part of a great cause
Include items in Goody Bag
Website & social media exposure
(1,870 face book fans!)
Verbal recognition at the event

By sponsoring this annual event you will help us with our mission of helping families make their homes and lives accessible. Did you know that most critical items families' need are not covered by insurance? Without things such as a wheelchair, ramps and accessible vehicles these families are not able to go to family & social events, or do the kinds of things most of us take for granted. This event is an opportunity for you to promote your business while supporting a local foundation and help us make a difference in the lives of these families.

If you are not able to be a sponsor but would still like to help, contact us, we need raffle prizes, food, water and volunteers for the event!

Visit our web site and see a video from Jake in his own words.
